I have seen Dakotah mature so much since he attended the summer camp last year. His teacher at school even commented how much of a change she saw in him when he returned to school in August. The program has helped him become more independent.” Lora Bennett

Donors Make It Possible!

For most parents, finding summertime care for their child is a stressful task, but the pressure to find the right support for a teen with disabilities during the summer can be overwhelming. The Teen LINK Community Camp is meeting the needs of many families this summer by providing a safe, impactful program that offers opportunities for development and engagement.

Lora Bennett, mother of a returning teen to the camp, said, “We are so lucky to have programs like the summer camp...I can remember not having these opportunities.”

June 2019

Because of you, teens with disabilities are receiving encouragement and support in a safe and fun environment. Teens are trying new experiences which are helping them gain self-confidence, increase personal independence, and retain learned skills.

Every penny makes an impact!

Your investment is serving a greater good. Teens attending the camp increase their social skills by learning to interact with peers they’ve never met and to bond as a group. Friendships established have the potential to last a lifetime.

Putting your values into action provides purpose!

When you provide financial support, you are giving opportunities for teens to contribute to the good of our community and to experience a sense of belonging. Teens learn that they can give back as citizens by volunteering at local nonprofits. They feel what it is like to help someone in need, learn new job skills, and gain independence through their volunteerism.

Consider supporting The Arc of Evansville to provide teens with disabilities opportunities for engagement and belonging.

Because of you, teens with disabilities are receiving support and encouragement in a fun, safe environment.
Donors Create Experiences!

It is because of donors that individuals with disabilities are given new experiences and are empowered to build relationships, gain independence, and achieve their full potential. Each photo shows a unique opportunity that would not happen without the generosity of donors. Our donors have an impact on every goal the individuals we serve achieve. Thank You!

A donor provided campers the experience of a pizza party at the park. Dakotah left the fun for a quick photograph.
